# MoADSA Regional Provider Meetings

Sponsored by: Missouri Adult Day Services Association

Register today to attend one of the Adult Day Services Regional Meetings that give providers an opportunity to come together in convenient locations throughout the state to hear from MoADSA leaders and network with other providers on the issues facing the industry today and in the future. **All Adult Day Providers are welcome.**

Members of the MoADSA Board of Directors will present information of importance and an update on key issues impacting providers. We also want to hear from you! What issues are important to you? What can MoADSA do to improve our member services? This is your association and we want to provide you with the best information and services for you to succeed. Not a member? Get information on joining while at the meeting.

An invitation has been extended to the Dept. of Health & Senior Services to send a State Surveyor to share information about what's going on in their specific region of the state. Learn how to better prepare for your survey and hear what the top deficiencies are in your area of the state. You won't want to miss this opportunity to connect with your State Surveyor and ask questions. We will keep you posted as we learn more about their availability at each location.

**Please Note: Time frames for these locations are as follows: 11:00 am—1:00 pm ~ Lunch will be provided**
