## Summer Meet & Mingle

Date: Saturday, August 21, 2021

Time: 10:00am – 12:00pm

### Two locations and virtually through Zoom:

Friends - A Meeting Place  
716 N Compton Avenue  
St. Louis, MO 63103

Hannah's Adult Day Health Care Center  
6412 E 87<sup>th</sup> Street  
Kansas City, MO 64138

As a new business, sometimes we have questions regarding best practices. This is a good way to meet and mingle with other Adult Day Services Providers to see what works for them. Come and bring your questions, ideas, activities, and suggestions. Let's talk about the latest news at the state level, especially news that affects our bottom line. It's a place to make new friends and business allies. Senator Greg Razer, Representative LaKeySha Bosley and Alderwoman Marlene Davis will be in attendance to provide a legislative update and to answer questions from you the Providers. We hope to have additional political friends join us as well!

Lunch, beverages, and comradery will be provided. MoADSA Members and non-members are welcome! Become a member at the event and receive ½ price membership dues.

We hope you will join us on August 21<sup>st</sup>!
